URBAN EDGE TOTTENHAM

Industrial & Warehouse Development

Urban Edge is a new, last-mile headquarter-style logistics warehouse provided across a 67,525 Sq Ft self-contained unit in the heart of Tottenham.

Located within **Zone 3**, Urban Edge offers a rare opportunity for businesses seeking a highly accessible urban logistics location. With immediate and unrivalled access to the A406 (North Circular) and the A10, the unit is firmly positioned as a super-prime industrial and warehouse destination.

The development is centrally located and exceptionally well connected, providing close proximity to the large population of North and Central London and the wider South East. This enables occupiers to reach more customers, access a larger labour pool and operate more efficiently from a single strategic base.

Urban Edge will be delivered to the highest specification with strong green credentials, targeting **BREEAM 'Excellent'** and **EPC A+**, indicating that the building will achieve **net zero CO₂ emissions** for regulated energy uses.

- 1.85 acre site
- BREEAM 'Excellent'
- High-specification HQ-style entrance foyer and fully fitted office space
- Fully self-contained and secure.
- Occupiers benefit directly from photovoltaic panels
- Secure gated development
- Planning granted for use classes B2, B8, E(g)(iii)

Premium Commuting Close Proximity

Urban Edge, Tottenham is well connected, with quick access to the A406 and just a short distance from the A10. It offers fast routes into Central London and easy links to the M25, making it ideal for commuting and distribution.

Location

West Road, Tottenham, London, N17 0RE

Urban Edge is located in Tottenham, within a well-established urban industrial and logistics area. The development benefits from strong road connectivity, with the A10 (Great Cambridge Road) approximately 1.3 miles to the west and the A406 (North Circular Road) approximately 1.6 miles to the south-west, providing efficient access across North, Central and East London and onward connections to the M25 motorway network.

Urban Edge is well served by public transport, with Northumberland Park and Meridian Water Rail Stations located nearby, providing regular services into Central London. The development is closely linked to Seven Sisters and Tottenham Hale Underground Stations providing Victoria Line service, further allowing direct access into Central London.
